TSX-V: RUM.P

TORONTO, Aug. 26 /CNW/ - On May 12, 2008, Humber Capital Corporation ("Humber"), a capital pool company listed on the TSX Venture Exchange (the "Exchange"), announced that it had entered into a non-binding term sheet for the acquisition of Anderson's Liquor Inc. ("Anderson's"), an independent liquor retailer operating in the Province of Alberta. Humber is pleased to announce that it has now entered into a definitive share purchase agreement (the "Agreement") dated August 25, 2008 with the Vendors (defined below), pursuant to which Humber will acquire all of the issued and outstanding securities (the "Shares") of Anderson's from the Vendors. In order to obtain requisite financing to complete the acquisition and to carry on business going forward, Humber intends to complete a private placement (the "Private Placement") of its common shares concurrently with the closing of the acquisition. The acquisition and the Private Placement are collectively intended to constitute Humber's qualifying transaction (the "Transaction") under Exchange Policy 2.4 - Capital Pool Companies.

The Transaction was negotiated on an arm's-length basis and involves arm's-length parties and, therefore, does not constitute a Non-Arm's Length Qualifying Transaction (as such term is defined under the rules and policies of the Exchange); therefore, shareholder approval will not be required as a condition to the completion of the Transaction.

Since the commencement of business in 2001 at its Devon, Alberta location, Anderson's has focused on store operations while pursuing an active acquisition strategy within Alberta, focusing largely outside of the major urban centres (Edmonton and Calgary). To date, Anderson's has been successful in improving the performance of its acquisitions through effective integration with its existing operations. The product mix generally offered by Anderson's at its retail stores includes beer, spirits, wine and coolers, as well as ancillary items such as juice, ice, pop and giftware.

#### The Acquisition

Under the terms of the Agreement, Humber will acquire the Shares for aggregate consideration comprised of: (i) \$1.5 million in cash, (ii) 31,917,964 common shares of Humber issued at a price of \$0.25 per common share (representing an aggregate value of approximately \$7.98 million, and (iii) warrants to purchase up to approximately 7.98 million common shares of Humber at an exercise price of \$0.315 per common share. The cash portion of the

purchase price will be reduced to the extent that Anderson's working capital on closing is less than a target amount agreed upon by Humber and the Vendors. Completion of the acquisition is subject to customary closing conditions, including all necessary consents and approvals, including all applicable Exchange approvals, having been obtained. Further conditions to closing of the acquisition include completion of the concurrent Private Placement, Humber being satisfied that Anderson's closing working capital and closing indebtedness meet prescribed levels, Peter Byrne having been appointed to the board of directors of Humber and each of Peter Byrne and Allison Byrne entering into employment and non-competition agreements with Humber (with commencement of their employment effective upon closing).

Upon completion of the Transaction, Humber expects that it will carry on Anderson's business of owning and operating retail liquor stores as currently conducted and that it will be listed on the Exchange as a Tier 2 issuer.

#### The Private Placement

In conjunction with the acquisition of Anderson's Shares, Humber intends to complete a private placement of 10 million of its common shares at a price of \$0.30 per common share for gross proceeds of \$3 million. Humber intends to use the proceeds from the Private Placement to pay for costs and expenses associated with the Transaction. The balance, if any, will be used to identify potential future acquisitions and for general working capital purposes.

National Bank Financial Inc. (the "Agent") has been retained by Humber to act as agent, on a best efforts basis, in respect of the Private Placement. The Agent acts at arm's length to each of Humber and Anderson's and will receive as compensation for services a cash commission of 7% of the gross proceeds of the Private Placement.
