

## **RUM to Acquire 4 More Liquor Stores**

EDMONTON, January 24, 2013 – Rocky Mountain Liquor Inc. (TSX-V: **RUM**) (the “Company” or “Rocky Mountain”), listed on the TSX Venture Exchange (the “Exchange”), today announced it has entered into a definitive agreement with one vendor to acquire four additional stores in Central Alberta.

The acquisition of these stores is subject to certain conditions, including but not limited to the completion of a due diligence review, the amendment of real property leases and the receipt of senior lender approval. Given these conditions, it is possible that fewer than four stores will be acquired. The aggregate purchase price of all assets is estimated to be \$3,000,000, including inventory. The Company has sufficient financial resources to complete the transaction with cash and existing term financing. After the transaction, the Company will have available term financing of \$10,750,000 that it can use to continue to execute on its growth strategy.

Mr. Peter Byrne, CEO, said “These proposed new acquisitions reinforce our commitment to our shareholders to expand and grow the Company. These four additional stores are expected to benefit from increased product offerings from our enterprise fulfillment center which distributes partial case lots to our locations.”

Should all transactions close as intended, Andersons will operate 45 stores in Alberta, including 11 stores in Northern Alberta, 23 stores in Central Alberta and 11 stores in Southern Alberta.
