

TD Bank Serves RUM a double

EDMONTON, May 8, 2009 - Humber Capital Corporation (TSX-V: **RUM**) ("Humber" or the "Company"), listed on the TSX Venture Exchange (the "Exchange"), today reported its subsidiary Andersons Liquor Inc. ("Andersons") has secured increased financing from its senior lender The Toronto-Dominion Bank ("Senior Secured Lender").

The new non-syndicated facilities increases Senior Secured Lender commitments for Andersons and more than doubles availability from approximately \$7 million to \$15 million

"We realize that credit is tight in Canada due to economic conditions, commodity pricing, and financial market challenges. The newly approved, committed financing, at this time is a real signal of the bank's confidence in our past performance, as well as it underscores the strength in our business model and growth strategy" said Peter Byrne, CEO.

The credit facilities can be used for general corporate purposes including investment buys on inventory, acquisition of liquor stores, and new store "green-field" developments. "We intend to use the \$8 million in new availability to increase the number of liquor store locations," noted Tracey Bean, CFO.

Mr. Bean further explained the terms of the secured revolving credit facilities. "The entire \$15 million is committed for 364 days with Bankers Acceptance based pricing plus a spread ranging from 2.0 percent to 3.0 percent depending on the Company's performance". The \$5.5 million of that was previously hedged for 5 years will continue to be hedged under the current commitment at the rate of 2.14% plus the appropriate credit spread."

Mr. Bean added that Humber has provided a corporate guarantee and general security agreement to support these credit facilities for Andersons.
