Forward-Looking Statements

This news release may contain "forward-looking statements" within the meaning of applicable securities laws relating to the future growth of the Company, and the ability to execute its business strategy. Readers are cautioned not to place undue reliance on forward-looking statements, and in particular results achieved in 2014 and previous periods. Past results might not be a certain indication of future performance, which is subject to other risks, including but not limited to changes in operational policies, changes in management, changes in strategic focus, market conditions and customer preferences.

Actual results and developments may differ materially from those contemplated by these statements depending on, among other things, the risks that these events may not materialize as well as those additional factors discussed in the section entitled "Risk Factors" in RUM's Management Discussion and Analysis, which can be obtained at www.sedar.com. If they do materialize, there remains a risk of non-execution for any reason.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
