Forward-Looking Statements

This news release contains forward-looking statements and forward-looking information within the meaning of applicable securities laws. These statements relate to future events or future performance. All statements other than statements of historical fact may be forward-looking statements or information. Forward-looking statements and information are often, but not always, identified by the use of words such as “appear”, “seek”, “anticipate”, “plan”, “continue”, “estimate”, “approximate”, “expect”, “may”, “will”, “project”, “predict”, “potential”, “targeting”, “intend”, “could”, “might”, “should”, “believe”, “would” and similar expressions.

Forward-looking statements and information are provided for the purpose of providing information about the current expectations and plans of management of the Company relating to the future. Readers are cautioned that reliance on such statements and information may not be appropriate for other purposes, such as investment decisions. In particular, results achieved in 2022 and previous periods might not be a certain indication of future performance, which is subject to other risks, including but not limited to changes in operational policies, changes in management, changes in strategic focus, market conditions and customer preferences, the impact from COVID-19 pandemic on our operations and third party suppliers. Since forward-looking statements and information address future events and conditions, by their very nature, they involve inherent risks and uncertainties. Actual results could differ materially from those currently anticipated due to a number of factors and risks, the risks that these events may not materialize as well as those additional factors discussed in the section entitled “Risk Factors” in RUM’s Management Discussion and Analysis, which can be obtained at www.sedar.com. If they do materialize, there remains a risk of non-execution for any reason. Accordingly, readers should not place undue reliance on the forward-looking statements, timelines and information contained in this news release.

The forward-looking statements and information contained in this news release are made as of the date hereof, and no undertaking is given to update publicly or revise any forward-looking statements or information, whether as a result of new information, future events or otherwise, unless so required by applicable securities laws or the TSX-V. This cautionary statement expressly qualifies the forward-looking statements or information contained in this news release.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accept responsibility for the adequacy or accuracy of this release.
